Dear Sir:

I am happy to confirm your report of receiving WEZB on November 11, 1957. WEZB, 1320 kc did make a series of test runs that night.

Sorry I did not see your earlier letter.

I know how anxious you are to confirm this as I am an amateur radio operator (W4EVO).

Here's good luck in "DX" hunting.

Yours truly,

Pat Kilgore
