NBC RADIO NETWORK

GADSDEN BROADCASTING CO., INC.

GADSDEN, ALABAMA

Dear Stanwood Morse:

Consider this a confirmation of reception of WJBY program the morning of March 22, 1954. Thanks.

You may well consider this sheet a collectors item, I. R. After 27 years of broadcasting the equipment at WJBY was sold March 23, 1954. WJBY ceased to exist at 10:31 PM CST that date. The equipment will be set up in Anniston, Alabama, under another call.

I am taking a job at a TV station in Montgomery, Alabama. I lived here 25 years. I worked at WJBY & WJBY-FM six years.

So long & good DX
