SHEFFIELD, ALABAMA

January 21st, 1944.

Mr. S. R. Morse
Rt. 3
Bradford, Mass.

Dear Sir:

This is to verify your reception of signal from radio station WLAY during a frequency check program conducted from 2:00 to 2:15 A.M. CWT, January 15th, 1944. Thanks for the report.

We regularly conduct frequency check programs at this time on the third Saturday morning of each month. Transmitter, Gates 250-C. 170 foot vertical tubular radiator.

Sincerely yours,

Jno. W. Smith
