Mr. S. R. Morss
Rt. # 3
Bradford, Mass.

Dear Mr. Morss:

This is a verification of your report of reception of December 29, 1949. WWWR operates with a 1,000 watts final power on 920 KC. Our antenna is 240 feet half-wave guyed.

Thank you for your interest and effort in reporting our signal.

Sincerely,

RADIO STATION WWWR

Charles G. McCellan
