Dear Sir:

W
I am indeed happy to verify your reception of our station KWCB on the morning of Nov. 5th. The reason you were unable to hear us after 1:28:30 is that it was exactly the time we left the air. We're running a KW into a 200 ft. guyed tower. The x'mtr is a Gates BC-1F.

Thanks for the report, good listening, and,,

73's

Yours Sincerely,

C
