Mr. Stanwood R. Morss,  
R.R. No. 3  
Bradford, Mass.

Dear Sir:

It was a pleasure hearing from you and we are sorry for the oversight in acknowledging your original communication. Actually, we have no secretary as such here and the obligation of answering correspondence falls upon my shoulders and somehow your letter never got into my hands, however, this last one did and means of course I'm taking care of it.

Your report of our Program Schudle as broadcast is entirely correct as well as your reception of it. (Schedule)

I envy your possession of a Hammarlund Receiver and would like very much to have one like it. Every time I wanted to engage in Amateur Radio Acitivity I could not afford to buy one also I would leave my job and needed the money for expenses. I am the holder of a First Calss (Class) Radiotelephone License and am Chief Engineer here and have been working at it for the past ten years.

Let me say again, its been very nice to hear from you and am happy to confirm your Reception Report.

Respectfully yours,

Dale Woodbine, C.E.
