

KCOY 1440 on your DIAL • THE BIG STATION

P. O. BOX 166
WALNUT 5-2644
SANTA MARIA, CALIFORNIA

Stanwood R. Morss
RR #3
Bradford, Mass

Dear Stan;

This is verification of your having received KCOY on February 15, 1960 as reported by reception letter.

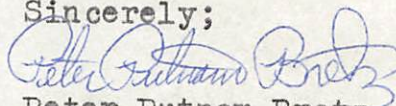

In all KCOY-dx netted 40 reports from 19 states and one Canadian province. Even though WGCB covered us pretty much during the latter half of the show, we received many reports from the east, including yours.

On the night of the special, KCOY was operation non-directional pattern from a Xmitter tower 200' high, Xmitter Collins- Lkw, TTs- Presto; Control board-Raytheon, Mike-Electro-Voice.

Due to the long delay in getting the letter to you, you will note that this is new stationery. Only five other reports of the show will receive this new copy.

Thanks again for your report and the best of DX in the future.

Sincerely;

Peter Putnam Bretz
