**Dear Mr. Morss:**

**This will verify your reception of our  
signals February 23 1947 at 1144 to 1200  
Mid. PST.**

**This station operates with 2500 Watts day  
and 1000 at night. This is a non-commercial  
station.**

**Our antenna is 320 feet overall and we are  
located in semi-residential section of  
Los Angeles and about four miles from the  
center of town.**

**We appreciate your interest and if further  
information is needed, please do not fail  
to write.**

**Respectfully,**

*C. Harvey Haas*
