Dear Sir:

Thank you for your letter reporting the reception of KOWL on December 10, 1949.

We are sorry that WATM in Atmore, Alabama gave interference, but glad you were able to pull our signal through to send a report.

These program tests are not a regular thing with this station, so at the present time we would be unable to give you definite information as to the time of the next one.

With sincere thanks,

KOWL
