Bradford, Mass.

Dear Stanwood:

I am very pleased to send you this letter verifying your report of reception of KFTM on the morning of December 29, 1949. XEL seems to give us a rough time back in your neighborhood and I'm very happy to hear that you could read us through their interference.

I wish to thank you for your very FB report and I am

very truly yours,

*H. A. Bustard*
