Dear Sir:

We are very pleased to receive your letter of December 31, 1948, and appreciate the interest you have shown in our station.

Your information of Q S A, Q R K, Weather conditions, Q S B and Q R M reports are very helpful.

We have compared your log with our own and have found it to check. We regret that as yet our verification cards have not been received from the printer.

Again, we wish to thank you for your cooperation and interest.

Very truly yours,

K. A. Bishop
