THE LITCHFIELD COUNTY RADIO CORPORATION

January 20, 1948

Mr. S. R. Morss  
Route 3  
Bradford, Massachusetts

Dear Mr. Morse:

I am pleased to confirm your report of reception of our station on January 18, 1948.

We operate with 1,000 watts power using an RCA transmitter. Our studios are also equipped by RCA, with the exception of a Presto 6-N recorder.

Our tower is located two miles west of town and the total height is 1,200 ft. above sealevel. The tower itself is 240 ft.

I would be most pleased to receive any future reports from you concerning our signal.

Sincerely yours,

*Robert D. Corbett*
