This is to confirm your reception of WLWX 1550 KHz
5000 watts on February 14, 1989 at 6:02 to 6:30AM.

Thank you for your report. I am sorry for the delay
in sending out this QSL. WLWX is a new station and
as you may guess there have been some bugs to work
out. Again, thank you for the report.

Sincerely,

WLWX RADIO

John Bennett
Chief Engineer
