Dec. 4, 1952

Dear Sir:

I wish to thank you for your report of reception of our signal on Nov. 29, 1952. I wish to verify the same as a check against our log confirms your report.

We played selections from Oklahoma, Strauss Waltzes, Fred Waring Etc. We originated from the transmitter therefore we did not have the necessary facilities, I was all alone and therefore trying to run one turntable that is used for emergency use only and trying to log you can just picture the situation.

We are a daytime station running 1000 watts with a composite home built job, with 190 foot nondirectional antenna.

Again I want to thank you for your kind cooperation by joining along with us here at the station,

Sincerely yours,
John Roache Ch. Eng.
