I would like to verify that you were listening to WOMN 1220 AM Jan. 29, 1980. WOMN operates on 1220 Kh, 1000 watts with Studio & Transmitter at 742 Denslow Hill Road in Hamden, Conn.

Thanks for the cassette it makes verification easy,

Lots of luck on your hobby of listening for far away stations

Very truly yours,
Win Sutors
