"1000 WATTS OF POWER
FROM THE COAST'S HIGHEST TOWER"

Jan. 5, 1960

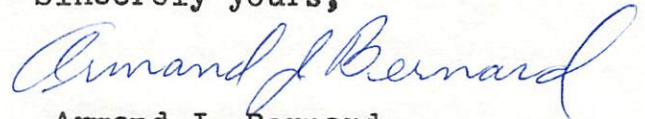

Mr. S.R. Morss
R 3
Bradford, Mass.

Dear Sir:

We're happy to verify your WSUB reception report. I am doubly pleased since my hometown is Lawrence and I have wondered what were the chances for reception in my old home town.

Hope you'll hear from us again and good luck in your "Cycle hunting"

Sincerely yours,

Armand J. Bernard
