

November 15, 1949

Mr. S. R. Morss,
Route - 3,
Bradford, Mass.

Dear Mr. Morss:

WINX is pleased to confirm reception of this station 7:01 A.M. on November 13, 1949. We are a 250 Watt station operating 2 - 250 Watt Slave transmitters.

Thanks for your report.

*Ralph E. Cannon Jr.
Chief Engineer.*
