Stanwood R. Morss RFD 3 Bradford, Mass.

Dear Mr. Morss:

This is to confirm your reception of station WKEN on 18 December 1972 from 5:3 to 5:19AM. WKEN was conducting an equipment test with daytime power of 500 watts on daytime (nondirectional) antenna.

Enclosed for your reference is a copy of WKEN&S primary coverage contour.

Thanks for taking the time to complete your reception report --- we appreciate it.

Peace,

Richard Gamberg Chief Engineer
