Tarpon Springs

Dear Mr. Morss:

Thank you for your letter of February 20th reporting
the reception of WBOY in Bradford, Mass.

Clearwater

Your report checks perfectly with our log for that
date and the time of 2:50AM.

Tampa

We are using 5 kilowatts of power with an antenna
height of 210 feet non directional. The elevation
is 17 feet above sea level.

St. Petersburg

Your reports are appreciated very much and please
continue to send them whenever you hear us. Our
regular program schedule starts at 5AM.

Gulf Beaches

Sincerely yours,

Dunedin
