Bradford, Mass.

Dear Mr. Morss,

Thank you for your kind letter reporting reception of our station on the morning of October 24, 1954. It was much appreciated.

After checking our log for that day, I find that I can and do by this letter verify your reception of WMEN on the above mentioned date.

I am very sorry to have been so tardy in answering your letter. The first month or two of a new station is a busy time.

If you are ever in the vicinity of Tallahassee, Don't fail to stop in and see me.

Yours sincerely,

Ardis H. Hartsfield
