RE: Verification

Dear Mr. Morss:

This is to verify your report of my test program on January 20, 1951. Your log accurately covered the period 4:06 to 4:28 AM EST.

WPIN serving PINellas county from its studios in Clearwater and the Royal Palm Hotel in St. Petersburg, Fla. We are a 1000 watt station, operating daytime hours. The call WPIN was added to the airways on August 13, 1950. However WPIN was formerly known as WCLE. WCLE went on the air Feb. 6, 1947 with regular schedule. Off the air on Nov. 5, 1949 due to financial conditions. They returned on March 1, 1950. On May 10, 1950 WCLE was sold to Florida West Coast Broadcasters, who, on Aug. 13, 1950 changed call to WPIN in order to throw off the WCLE reputation.

I want to wish you the very best of luck with your DX hobby.

Respectfully,

*Manly St. Jean*
