Route #3,  
Bradford, Mass.

Dear Mr. Morss:

This will acknowledge receipt of your report of reception of our station on October 12, 1943.

We have checked the items and announcements you show on your report and find them in accord with programs broadcast between 4:59 and 5:13 AM, EWT on that date.

It is gratifying to us to have proof that our station is readily heard in our northern states - reports on file indicating that persons in eighteen of our northern states have heard our programs at various times. We are pleased to add your report as one of the first received from your particular section of the country.

Very truly yours,

*Norman E. Brown*
