Dear Mr. Morss:

I wish to apologize for not having written to you before but ours is a small station with a staff of only three and sometimes it is just a full time job to run the station.

I have checked our station logs and I find that your report is correct. WSUZ was on the air on November 7, 1958 for a frequency check from 3:15 AM until 3:30 AM.

With best wishes for good luck, I am

Very truly yours,

Ray Mc Millin
