Mr. S. R. Morss,
R-3,
Bradford, Mass.

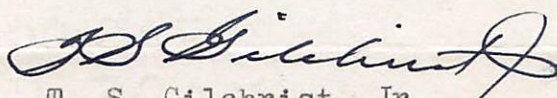

Dear Mr. Morss:

This will acknowledge your letter of November 13 logging WTMC's test program on 1290kc, 1000 watts between 2:02½ and 2:18AMEST on that date.

WTMC has no set testing schedule for the new transmitter yet. We expect to start regular operation on the new frequency and power about November 25th with a 6:00AM-12:00Midnight daily schedule.

Thank you for your information.

Very truly yours,

T. S. Gilchrist, Jr.
Manager
