Dear Sir:

This confirmation of your report, dated December 2nd, 1947, which was found to be very accurate and was greatly appreciated, was delayed because of the opening rush.

WWPB operates from 7 AM to 12 Midnite, daily. We shall be pleased to hear from you at any time in the future, if you pick us up, and can guarantee to answer much more promptly, as things are pretty well under control now. Thanks again and keep listening.

Yours very truly,

Paul Brake,
