Dear Mr. Morss,

Thank you for your report on 4YC's programme on February 14th. We have checked your details with our log and find that you were listening to one of our BBC programmes, a BBC religious service from St. John's College, Cambridge, England.

By a strange coincidence a fellow countryman of yours heard the same programme and his report arrived here with yours. He is Mr. Roger A. Anderson, of 8th Road, North Arlington 5., Virginia. We appreciate your report and thank you for your interest.

Yours faithfully,

(I. Lawrence)
Station Supervisor
