Dear Mr. Morss,

This is to verify your reception of our signals broadcast on Sept. 24, 1975. Sorry for the delay in answering your letter, but correspondence has had to take a back seat to technical considerations the last couple of months! Thank you for writing.

You may be interested in our schedule; We are on the air from 6 to 9 AM and 12 to 10 PM. We are currently operating with 5KW with the exception of the period from noon 'till 6 PM when we are on reduced power of 1KW.

We are a Christian station, and our purpose is to bring the message of the saving work of Christ to the eastern Caribbean. I hope that our signal will continue to get into your area, and that you will take time to listen to our programming.

Thank you again for your good report.

Yours in the name of Christ,

Curtis L. Waite, Chief Eng.
