Dear Sir:

We acknowledge receipt of your reception report of our broadcasting station, RADIO NACIONAL DE ESPAÑA EN VALENCIA, working on 773 Kc/s, covering our broadcast on last February 22, as well as the tape recording enclosed.

All the data included in your report are correct. We heard the tape recording and found it very interesting, although the static noise is considerable.

We appreciate it very much your kindness in sending the tape and the stamps. We also enclose a few spanish stamps.

Thanking you for your report, we remain.  
Sincerely yours.
