Dear friend:

We have received your letter and control, for which we thank you very much. Your control is priceless because our sending station is only 30 kilvats power, and the distance is very great.

Zaragoza is a city with 350.000 souls, very lively because is situated between Madrid and Barcelona, and many people stop here.

There are here many of your countrymen, and some of them, make an emission in our programm.

Very pleased with your report, we remain yours
faithfully
