Dear Mr. Morss:

This is a reply to your letter of February 15, 1951, giving us the signal report of PRE4.

The program you heard was the ,Morning Exercises, which goes on the air daily at 6:00 A.M. Brazilian time.

Radio Cultura has a power of ten kilowatts and is an RCA transmitter. Many thanks for your signal report and feel assured that we are always grateful for comments from the DX listeners.

Very truly yours,
