Mr. Stanwood R. Morss,
R.R. No. 3
Bradford, Mass.

Dear Mr. Morss,

I would like to verify your reception of WFPM on the morning of October 19, 1951 from 322A to 330A Eastern Standard Time on 1150 KCS.

Your information will go into our files as proof of our DX area. You may also be interested to know that your report is the only one submitted of this test. RCA in Riverhead, New York measures our frequency and we haven't heard from them yet. (Just a little side-note of interest)

Thanks again for your report of reception in your part of the country.

Best regards,

Charlie Parish, C.E.
