TALL AS A GEORGIA PINE IN ENTERTAINMENT - NEWS

CLAYTON, GEORGIA

January 15, 1962

Mr. S. R. Morss  
Route 3  
Bradford, Mass.

Dear Mr. Morss:

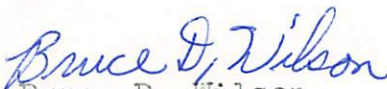

This is to verify your reception of WGHC, Clayton, Georgia, operating on 1570 kc, 1,000 watts, from 2:28 am until 2:35 am on January 9, 1962.

We were on the air for test purposes and all the information contained in your report is correct.

Thank you,

Carroll S. Lee, Sr.  
Station Manager

Bruce D. Wilson,  
Chief Engineer
