Stanwood R. Morss
R.R. # 3
Bradford, Mass.

Dear Mr. Morss:

I'm very sorry about being so late in verifying your reception of our station, but as this being a new station we have been very busy.

We are using a 1000 watt Collins Transmitter with a pair of 4-400 A in the final.

Thinking you very much for your letter.

Yours truly,

Kenneth W. Mock
