Dear Mr. Morss

In reply to your letter, all information was correct. Your report is precise. Thank you for your interest, we are happy to tell you that your letter came from the farthest point from which we have been asked to verify reception. Many letters have been sent from New York State but not beyond. W K I G is a new station, on the air since this past spring. If ever in our section of the nation, you're always welcome to come by to see us.

Sincerely

Ernest Batchelor
