Dear Mr. Morss:

This will verify your reception of WMAZ from 5:56 to 6:12 A.M. E.S.T., March 1, 1946, for your log on reception is completely correct.

It is surprising that you would be able to hear us in Bradford, Massachusetts on 940 kilocycles since there is a station operating in Montreal, Canada, on our same frequency.

We will be glad to have further reports from you.

Yours very truly,

WILTON E. COBB
