Mr. Starwood R. Morss
R. R. # 3,
Bradford, Mass.

Dear Sir:

Thank you for your letter concerning our frequency check on
November 25th.

We use R C A equipment exclusively, with vertical antenna,
which is grounded directly into the "Wonderful Marshes of Glynn"
(W M O G) which the Georgia poet Sidney Lanier made famous.

Our frequency checks are made at 3 A. M. Eastern Standard
Time the last Thursday of each month.

Very truly yours,

Bob Martin

Engineer
Radio Station W M O G
