Dear Stanwood

It was a pleasure hearing from you relative to our special DX program, conducted Saturday morning, January 12, 1957 between the hours of 3:00 AM and 4:30 AM, EST.

We sincerely appreciate your most helpful data on our signal strength, quality, weather information, etc.

WRCD is always ready to cooperate with recognized DX clubs to enable members to log our station. If at any time you are driving through our city of Dalton, we would be happy for you to stop by and inspect our broadcast facilities.

Accept this notification as your confirmation of reception of WRCD during the time and date listed above.

Best wishes for many happy and fruitful hours of good DX in the future!

Sincerely yours,

WHITFIELD BROADCASTING CO.
