Dear Mr. Morss

The management and engineering department of Radio Station KDTH wishes to acknowledge and verify your detailed report of reception of our station on Saturday morning, March 16, 1946, 2:00-2:34 A.M. CST, as we presented a DX program dedicated to the National Radio Club.

The forty or more reports we have received have been most gratifying and helpful. The reception report, received thus far, from the greatest distance on this recent DX program, came from Vallejo, California. Accordingly, this reporter will receive the prize announced on the program by Len Kruse.

We wish to thank you sincerely for your report and hope that you will again favor us with your comments in the future.

Sincerely yours,

RADIO STATION KDTH
