Dear Mr. Morss,

First of all I want to apologize for the delay in answering your letter of February 4th. We have been very busy and I am sorry that your letter has not had attention sooner.

We were glad to hear from you and this is to verify your report of our frequency check program of February 4, 1946 (1:30 to 1:45 a.m. C.S.T.)

KFGQ is a non-commercial, not-for-profit station, dedicated to the glory and service of the Lord Jesus Christ. It is owned and operated by the Boone Biblical College and Associated Institutions. Next year we celebrate twenty years of broadcasting.

During the night of March 9th our engineer, Mr. Louie Lewis of station WOI, Ames, and his helpers moved the transmitter and other equipment from the basement of our church building where it was located to the main floor. We will now have a larger and more convenient transmitter room, new studios, and we will be able to view the church auditorium when it is used for broadcasting. We are very thrilled about these improvements and the prospect of other improvements in the near future, particularly in connection with the audio equipment. We feel like saying with the Psalmist, "The Lord hath done great things for us whereof we are glad."

Miss Lois Crawford, daughter of the founder, is president of the institutions and manager of KFGQ. We have

four girl operators with first class telephone licenses.

I am sending you a copy of "Times of Refreshing", our monthly publication, which contains a program schedule for KFGQ. We are licensed as a "daytime" station so our hours of broadcast vary each month. Our regular frequency check is the first Monday of every month, 1:30 to 2:00 a.m. C.S.T.

Thank you for writing and be assured we are happy to verify your report of reception of KFGQ in Bradford, Massachusetts.

Sincerely,

Josephine Driffin
Radio Operator and
Secretary to Miss Crawford
