Mr. Stanwood R. Morss,
R. R. No. 3,
Bradford, Mass.

Dear Stan:

Many thanks for your report stating that you heard the special DX program from KNWS.

Your report has been checked with the program log and found to be correct. This letter is verification of your reception of KNWS on November 8, 1954, from 2:00 AM to 2:30 AM, CST, on 1090 Kcs.

We were very happy with the results of this test as we received 77 reports from 30 states, Canada and New Zealand.

We surely enjoyed putting on this test for the National Radio Club and if you're ever in Waterloo be sure and drop in at KNWS. Craig and I hope to meet you in person at the next convention.

Thanks again for tuning us in, and here's wishing you the best of DX always.

Yours,

Kent Couson
