Mr. S. R. Morss,
R. 3,
Bradford, Mass.

Dear Mr. Morss:

Many thanks for your report of reception of KOKX during our special broadcast on the morning of December 6th. Your report checks with our log of that date, and we're glad to be able to verify your reception of our station.

We're using RCA equipment thruout, with a 250L transmitter feeding a 330' Wincharger tower.

Again, many thanks for the letter, we're always glad to hear from you club boys, and hope to put on another special broadcast in the near future.

73,

Walton W. Wilson
Walton W. Wilson,
Chief Engineer.
