1180 On Your Radio Dial

December 28, 1945

Mr. S. R. Morss  
Rural Route #3  
Bradford, Mass.

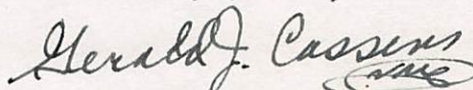

Dear Mr. Morss:

Thank you for your report on the reception of WLDS on our frequency check and DX program on December 7, 1945. Your report checks with our program log and this letter is your verification.

WLDS operates on 1180 kilocycles with a power of 250 watts daytime only. Our next regular frequency check will be on January 4, 1946 from 1:30 to 1:45 AM, CST.

We would be glad to hear from you again in regard to the reception of WLDS.

Sincerely yours,

Gerald J. Cassens  
Chief Engineer
