Dear Mr. Morss:

Thanks for your reception report from Yankee Division Land.
I got drafted in WW2 and put into the 26th Division Artillery.
Was with 180 F. A. Bn. Hq and B battery.

Your reception report of WPRS October 2nd, 1958 at 1:04 A.M.
was entirely correct. At the time I was conducting our regular
1st Thursday of each month frequency check. Running time was
from 12:55 A.M. to about 1:17 A.M. C.S.T.

The voice you heard was not mine. It and the tone were on a
tape prepared by someone else.

Yours truly,

Harry T. Hubbart
