Dear Mr. Morss:

This will verify the report of reception of our program on October 21st, 1945.

We were very glad to hear from you, and are pleased with your information that our signals were heard with no interference.

The only correction we can make on your report is that the "Globe Furniture" notation on this report is "Grove Furniture". Otherwise, everything else is correct.

Thank you again, and we trust you'll continue to hear us now and then.

Very truly yours,
