Dear Mr. Morss:

Please pardon the delay in answering your letter of reception of WILO will conducting equipment tests on date of November 5, 1953.

We have been pretty busy keeping our station operating smoothly. We actually went on the air November 23, 1953. Our stationery only arrived a couple days ago, so necessarily we didn't answer the letters of reception.

However, we do wish this letter to serve as your verification of reception of our station. We have checked your logging with our log and find it correct.

Thanks for your letter and patience in waiting for an answer.

Sincerely,

RADIO STATION WILO
