April 3, 1950

Mr. Stanwood R. Morss  
R. R. #3  
Bradford, Mass.

Dear Sir:

This is to verify your reception report of K I N D on March 28, 1950. Your report was correct and indeed gratifying. Our equipment is General Electric throughout with a power of 250 watts, daytime only. Hope you receive our signals again soon.

Sincerely,

*Ernest L. Kettner*
