Dear Sir:

This will verify your reception of WDXR's  
test transmission of 12-10-57.

Thanks much for the report.

WDXR began regular programs 2:45 pm  
Dec 24. The signal is directed to the N.W.  
so was quite surprised at the number of reports  
from your part of the country.

Thanks again for the report and regards

Paul Lawrence
