Dear Sir:

Thank you very much for your D-X report on my frequency test program of October 25, 1943. Everything on your report is correct.

We check frequency with Commercial Radio Equipment Co. in Kansas City, Mo. on the last Monday morning of every month between 2:00 and 2:15 A.M. CWFT and will be glad to have you tune us in at that time.

Very truly yours,

Vernon R. Nunn
