Mr. S. R. Morss
Route 3
Bradford, Mass.

Dear Mr. Morss:

WKYW is pleased to verify your DX report on March 24, 1947, at 1:04 AM CST. WKYW, owned and operated by Radio Kentucky, Incorporated, is licensed for daytime hours on 900 kilocycles with 1,000 watts power. Equipment is Western Electric throughout. Tower is a 375 foot Truscon guyed, uniform cross section. Any further reports you care to send us will be appreciated.

Yours very truly,

RADIO KENTUCKY, INC.

J. F. Coleman
Chief Engineer
