

1580 KC --- CLEAR CHANNEL

# WMTL

The Rough River Broadcasting Company

LEITCHFIELD, KENTUCKY

January 15, 1959

Dear Sir:

Many thanks for your report on your reception of WMTL of Jan. 9. That was our first time on the air. Your report coincides with our transmission.

Our transmitter is a Gates 250 BY, RCA freq. and Modulation monitors and Western Electric limiter ampl. Tower quarter wave guyed. Studio equipment is RCA.

Thanks again for your report. We have received reports from Vermont, Toronto, Canada; ~~NC~~ N.C.; Pa.; N.Y.; Minn.; Iowa; Ill; N.J.; and Ohio. We will test every night until we get the ok from the FCC.

Very truly yours,

*William H. French*
